Professional Summary

Security Engineer with 2+ years of hands-on experience in Identity and Access Management (IAM), Microsoft Intune, Azure Sentinel, and Azure Cloud services. Skilled in implementing and managing SSO, MFA, RBAC, and PAM solutions using Okta and Entra ID. Experienced in automating identity lifecycle processes, securing cloud workloads, and enhancing compliance through governance and monitoring frameworks.

Skills

IAM & Governance: Okta, Entra ID (Azure AD), RBAC, SSO, MFA, PAM, PIM, IGA, Compliance
Cloud & Security: Microsoft Intune, Azure Sentinel, Logic Apps, Automation Accounts, Security Center
Scripting & Tools: PowerShell, ServiceNow, Active Directory B2C
Protocols: SAML, OAuth, OpenID Connect
Operations: Incident Response, Authorization, Monitoring, Threat Analysis

Work Experience

AVASOFT, Chennai   *Jul 2023 – Present*
IAM & Cloud Security Engineer

- Implemented and managed IAM solutions using Okta and Entra ID, improving authentication and access control efficiency.
- Deployed enterprise-wide SSO and MFA, enhancing application and user security posture.
- Automated onboarding/offboarding for 20,000+ users with Okta Workflows and Azure Logic Apps, reducing manual effort by 80%.
- Configured Intune for endpoint compliance and integrated with Azure Automation for policy-based remediation.
- Built Azure Sentinel playbooks to automate alert correlation and response, strengthening SOC operations.

Projects

Automated User Lifecycle Management

- Integrated Okta Workflows and Azure Logic Apps to automate user provisioning across 40+ cloud apps, cutting onboarding time by 70%.

Sentinel Threat Detection Playbook

- Created automated response playbooks in Azure Sentinel using Logic Apps and PowerShell to triage identity-based incidents, reducing false positives by 30%.

Intune Compliance Automation

- Built Azure Automation scripts to remediate non-compliant devices, improving Intune compliance rate by 35%.

Education

B.Sc. in Information Security and Digital Forensics
Karunya Institute of Technology and Department of Digital Sciences   CGPA: 8.69/10

Certifications

Okta Certified Professional • Okta Certified Administrator • Microsoft Identity and Access Administrator Associate • Microsoft Security Fundamentals
